RE: Civil Action No. 05-661 GMS

FILED

NOV 15 2005

U.S. DISTRICT COURT  
DISTRICT OF DELAWARE

Sir or Madam:

I, Lauren Cornell Harris, request that the above numbered civil action be discontinued at this time. I am seeking the necessary legal counsel, I need to have access and the ability to gather more evidence, if I am to have any chance of winning, I am housed in a ~~housing~~ housing unit that inmates are not given adequate access to the prison law library and I think the court is being very unfair and intimidating by bulking me out of subsequent payments of \$246.37.

I do want to reserve the right to refile ~~and~~ and revisit this civil action at a later date.

In reference to payment, I have very little money and you (the court) are trying to take that from me. If I was receiving medical care by the prison for my kidney disease and if I had adequate access to the prison law library so I would atleast has some chance of winning this case, I wouldn't feel that it was unfair and that the court was using intimidation tactics to bulk me out of the

little money I receive. It seems to me, in cases such as these that Lady Justice is peeking from behind the blindfold, Her sword is single edged and the scales are definitely not balanced.

Mr. Laron C. Harris

P.S. I ~~am~~ am unable to make photo-copies of legal mail. If possible, can you send me a copy of this letter as proof that I mailed it to the court and that you (court) received it?

Thank you,

Mr. Laron C. Harris
